SCAN TO REGISTER/INFO

This program will focus on the key defensive fundamentals such as backwards skating, lateral mobility, foot speed, transitional footwork, gap control, and more. Game situational drills focus on defensive zone positioning, play in front of the net, play from the corners, breakout options, creating passing angles, containment, reading pressure, supporting your partner, playing the rush 1 vs. 1 and 2 vs. 1, and more. The program utilizes station work allowing players to be grouped by age and ability to allow for maximized training opportunities.
